black about blue
old do day
book dog doll
bike

2 Przeczytaj tekst i podkreśl wyrazy z literą *b* na niebiesko, a wyrazy z literą *d* – na czerwono.

Life at our school

School years We start primary school when we are five years old, so when we are eleven, we are in Year 6. Every year, there are three terms: autumn, spring, and summer. After Year 6, we go to secondary school.

School subjects We do English, maths, music, IT, art, science, history, geography, and French. We do PE every day, too.

The schoolday Our schoolday starts at 9:00 am. There are five classes each day, with a 15-minute break at about 10:30 am, and an hour break for lunch at about 12:00 am. We go home at about 3:00 pm, but we often have got homework, too.

Class sizes There are 25 to 30 students in our classes. Our school is in London, and we have students from 35 different countries! There are many Polish students at our school.

Uniforms Most schools have got a school uniform. In our school, we all wear a blue sweatshirt, a white shirt, and black trousers. Girls can wear a black skirt. We have got two non-uniform days each term: the school chooses a charity, we give money to the charity, and then we can wear our own clothes. We love non-uniform days!
