1		<p><b>England</b> There are lots of food stalls at the markets in London. You can get food from all over the world there, but some food stalls are expensive. It's also difficult to find food stalls with traditional English food.</p>
1A	<p>There are lots of food stalls at the <u>markets</u> in London. You can get <sup>1</sup>_____ from all over the <sup>2</sup>_____ there, but some food stalls are <sup>3</sup>_____.</p>	

2		<p><b>Poland</b> In Poland, people love food stalls. Their favourite street food is a kind of toasted cheese baguette, called <i>zapiekanka</i>, with mushrooms and ketchup. It's delicious, but it isn't very healthy, because it's got a lot of cheese and white bread.</p>
2A	<p>It's <sup>4</sup>_____, but it isn't very <sup>5</sup>_____, because it's got a lot of cheese and <sup>6</sup>_____ bread.</p>	

3		<p><b>Vietnam</b> The food stalls in Vietnam are amazing! You can get all types of Vietnamese food there, even unusual food like coconut worms – which you eat alive! It's good fun to eat at food stalls, but sometimes I'm not sure that they're very clean.</p>

**Australia** In Sydney, the food stalls aren't very exciting – just kebabs and burgers. But there are about 40 trucks that drive around the city. Each truck cooks a different kind of food, so you can try food from all over the world – from America, Spain, even from Egypt! You can download an app which shows you where the food trucks are now!
