1 ☐

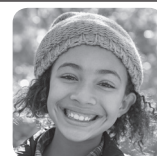

Last winter, I did a lot of ice-skating and I think I'm quite good at it. I'd like to play a team sport because it's more fun when you play with others.

2 ☐

I come from Canada, but I don't want to train to do our national sport. I like being better than others and my friends think I should try something like football or baseball. But in my opinion, individual sports are more fun. It may be interesting to do a martial art, I think.

3 ☐

I love team sports and wanted to do something like play ice hockey or baseball, but I don't have enough money to buy the helmets, gloves, sticks, or bats. So I just want to spend some active time with my friends playing an exciting sport.
