Mike's blog

Hi everyone! Today, I want to tell you about a very special person in my life – my older sister Kate – and her passion. She's 25 and the bravest person I know. Twice a year, she goes to the mountains to do her favourite sport. She has a special suit with wings and a helmet. She jumps off a cliff and flies like a bird for a few minutes before she opens the parachute. Our parents don't like this sport and they are worried that she may get injured or that something even worse may happen to her. But I think this is the most exciting sport in the world and want to try it one day.

- What sport does Kate do?

- How often does she do it?

- Are Kate's parents worried about her?

- Does Mike want to try this sport?
