My name is Jessica and I am a reporter. I inform people about the things that happen in the country and in the world. I also have to do a lot of **interviews** with celebrities and politicians. I have to be punctual and **patient**. I love working and talking with people, but sometimes, when I have to wait for a long time for a **meeting**, I am tired and **bored**. I hate it when people are late, but I try not to **complain**, and I always ask difficult and important questions.

On weekdays, I get up at 6:00 am because I want to be in the office early. Then I drink coffee, read newspapers and watch the news. After lunch, I meet a politician or another important guest and then I write the information for newspapers and the evening news. In the evening, I eat dinner with my friends. Before I go to bed, I read a book or listen to music.
