And so my own charity work is now on – I'm now officially a volunteer! I planned to sign up for it for a long time and now it's really happening. No, I'm not going to do the run! My job is to help the runners on the way. I know I'm not really raising money for charity, but I feel that I'm taking part in something important. Who knows, maybe one day I can do the run myself – I hope to do it in the future. Keep your fingers crossed for me, guys!
