I have a friend from the USA. His name is Ted. I know him from a social networking site. He lives in a village in the north-west of the country. There isn't any pollution in his village and Ted loves riding his bike in the woods. He's got a good internet connection and webcam so we often chat online. He also likes playing online games in the evening, just like me. But he doesn't like reading books and hates doing his homework! Just like me!

- _____ American.
- _____ In a village in the north-west of the USA.
- _____ Riding his bike.
- _____ In the evening.
