## 2. Uzupełnij tekst wyrazami z ramki.

.....  
*a            an            any            some            lot            there            living*  
.....

I really like living in the city. You have everything you need and you don't have to travel very far. There is some pollution, that's true, and there are also a lot of cars, so it's noisy, but I live in a place which is a bit quieter. There are a lot of parks and green areas and there aren't any skyscrapers. There is an office block, but that's where my mum works, so I don't mind it!
