2 Przeczytaj tekst. Uzupełnij zdania 1–5 odpowiednimi słowami z tekstu.

Han is from Vietnam but she lives in Poland. Han's mother tongue is Vietnamese – she learnt it from her mum and dad and she speaks it at home. Vietnamese is the official language in Vietnam. People use it in parliament and teachers speak it at school. Polish is her second language – she learnt it from other children at playschool and she speaks it when she isn't at home – with friends, in shops, in the streets. She studies English as a foreign language at school. She doesn't speak it at home or with friends. Luckily, English is a global language – with English she can communicate with other people all over the world.

- 1 The language you learn first, from your parents is your _____.
- 2 The language you use in schools or in parliament is the _____.
- 3 A language you learn after your first language, usually from people around you, is your _____.
- 4 A language of another country that you study from books, at school is a _____.
- 5 A language you can use with people all over the world is a _____.
